Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction, for the above-identified patent under the provision of Rule 1.322 or R.1323.

Respecting the alleged error, the following corrections are not needed because the patent already contains the correct information: col. 7, line 39, "s-16" should read "s=16" and col. 14, line 23, "s-64" should read "s=64".
